

Nampa Airport Operations & You

Airport, Airplane, Helicopter, and Glider activities will be covered and how they can continue to function safely. Preventing mid-air and ground conflicts.

Directions: Meeting room is upstairs in the hanger located on the east side of the parking lot opposite the terminal and restaurant.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
